vs.

Case no. 2009-CR-10-4869

Florine Beeson, Defendant (Henry Beeson, POA)

Now comes Florine Beeson and Henry Beeson, LL, and here before this honorable court and giving announcement that this matter being removed to the U.S. Federal Court for further process. The plaintiff in the S. C. District Circuit Court are continuing to move forward with the eviction. We need the Federal Court to take action immediately and come to our aid. The S.C. Circuit Court is just ignoring the Federal Court. I have petitioned the Federal Court for relief/ removal from the State Court, but the plaintiffs in the State Court are not listening to anything the Federal Court is doing. I need your help.

Most respectfully submitted.
